not been entered, the certificate to the
effect that the proportion Statement
has been verified with reference to
audit registers and the records of
the Deptt has not also been furnished,
~~[illegible]~~ nor a duly verified allocation
Statement showing the actual extra cost
after giving weightage etc to the officials'
under the general orders of Govt issued
in this behalf, as the present extra cost
shown viz Rs 70,989 per annum is only
towards the additional establishment
(stated) to be required for the Deptt, & for grant of revised grades of pay to the existing incumbents from date of
the proportion Statement will, if approved by Director of Municipal Services
be returned for doing the needful
and retransmission, together with the
allocation Statement
3) It is further seen that under
"existing cost" the appointment of a
Junior Asst Commr for the post of
Mk Commr has been taken into account
(on Rs 250-40/2-450)
and in the "proposed" column a Junior Asst
Commr is shown and an extra cost of
(on 500-50/2-600)
Rs 296-10-0 is exhibited against this appointment

Revision of establishment of Davangere City Municipality in connection with additional staff required &

Actually, for the Municipal Commissioners place a Senior Asst Commissioners post has been sanctioned and this has to be shown under the "Existing as well as the "proposed columns, thus eliminating the extra cost altogether This will be pointed out to the Md Commr

4) It may be mentioned, in this connection, that a proposal has been received separately for promoting the present Md Commr, Sri K Rangappa who is a Senior Asst Commr on Rs 370 in grade 250-40/2-450 as Senior Asst Commr on Rs 500 50-600 without prejudice to the claims of his seniors in the Revenue Dept and this is being submitted separately

5) The grades proposed for some of the posts are high, Eg for the Head Accountants' place in Mohatarfa Sector the higher grade of Rs 60 5-90-6 150 is proposed As this is a new appointment to be created now, it is for Consideration whether it cannot be fixed at only Rs 40-5-90 for the present As also for the Octroi Toll Inspector's place, the grade of Rs 60-5-90-6-150 is proposed This may also be fixed at Rs 40-5-90 as it is a new appointment

6) As the present proposals involve a very heavy extra cost viz Rs 70,989 per annum (average) the

The Commr will be requested to state whether any economies are not possible. He will also be requested to point out the source for meeting this heavy recurring expenditure, as the same has not been done in his letter under reply now in the KE Dd resolution

Revision of establishment of the Davangere City Municipality

P(D) Letter No HC 128/47-48 dated the 6th July 1948 from the Municipal Commissioner, Davangere City Mlty recommitting the proposals relating to the above with certain modifications

13) The forpostion statement for the revision of the establishment of the Davangere City Municipality has been revised by the Municipal Commissioner and the extra cost now shown is Rs 4,640-11-11 per month or Rs 55,688 per annum as against Rs 70 989 previously shown the Gazetted posts have been omitted from the list as per instructions issued in para 1(ii) of the Govt letter no L 17885-8 1961 and this largely accounts for the reduction

14) The grades of the Accountant of the Municipality Mohetarfa Lechm and the Octroi Inspector have been fixed at Rs 40-5-90 as against Rs 60-5-90-6-150 previously proposed and savings effected which much

Reforms of the establishment of the Delhi Cly Mlty

No ML6819 √22

15) The Ml Commr states in para 4 of his letter that all possible economies have been effected, but increase has been found to be unavoidable owing to the fact that the sweepers & scavengers struck work and they had to be given higher grades obtaining in the Cities of Bangalore & Poona viz 18-½-22 (as against Rs 14-½-18 given to Delhi Sweepers) to make them resume work, which they have now done. A resolution of the Ml Cl regarding the grant of the City scale to Scavengers etc and also one months advance of pay is also enclosed

16) The Ml Commr brings to notice in this connection that temporary necessary appointments have been made in anticipation of sanction of grant as per the resolution of the Cl to start work in all the Sections and that additional establishment will be entertained as and when necessity arises

17) The pay of the Ayurvedic Vaidyas which was at Rs 75-5-100 is proposed to be revised to Rs 100-10-200

and a separate resolution of the
M C in this regard is also
enclosed, as also for the grant
of daily rates of pay to sweepers & scavengers. An
independent reference has also been received in connection with the
matter & a grant of Rs 100-10-200 from Agriculture Grant & this being dealt with separately

18) The M Commr replies in early
sanction of Govt to the revision
proposals as now submitted by him, (2e
and adds that allocation statement
for the M employees who are not
Govt servants will be submitted after
the revision proposals are sanctioned
by Govt as regards Govt servants
of the Mcty, an allocation statement
has been received from the D C
Chitaldrug and it is separately under
consideration. Provision has been made
in the budget estimates of the Mcty for 48-49 to
DO No 15/7/48 meet the cost involved in the revision and the
budget estimates are also under consideration separately

19) It would be somewhat anamolous not to pay
the peons at the rates of pay sanctioned for other
while the Scavengers are paid at these rates, but
perhaps the peons need not be raised at the
Scavengers are being paid the higher rates
only under pressure and threat of strikes
though the Municipality is not quite able to
bear the expenditure

Subject Revision of establishment of the Davangere City Municipality

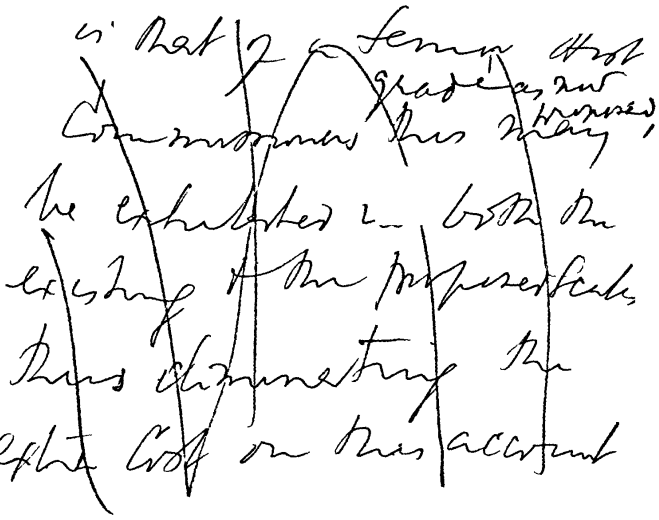
Sir,

With reference to correspondence ending with your letter No A C 128/42-48 dated the 3rd June 1948 on the above subject, I am directed to observe as follows

(1) The totals under the existing numbe

of Lands and the number
forwarded have not been struck,
and the Certificate to the effect
that the proportion Statement has
been verified with reference to the
court registers and the other records
of the Municipality may be noted
on the Statement & duly verified
allocation statement showing the
actual extra cost involved in
these proposals, based on the
revised scales of pay proposed
may also be furnished

(11) It is submitted that under existing
scale the appointment of a Town
Asst Commr on Rs 250-40/2-450
has been taken into account
against the post of Municipal
Commissioner. Since this is
Municipality & the proposed scale
shows the appointment of a
Town Asst Commr on Rs 300-50/2-600
with an extra cost of Rs 296-10 as shown
in the Municipal Commissioners
Appointment for this Municipality
a post at present
carried from
115 Statement



(iii) That a scheme that grades are proposed, be calculated on both the existing & the proposed scales thus eliminating the extra cost on this account

(III) The grades proposed for some of the posts seem to be high E.g. The Head Accountants class in Maharastra Secretariat for whom a grade of Rs 40-5-90-6 150 As this is a new appointment a lower grade viz Rs 40-5- may perhaps be created for the present to keep down the cost- Similarly for the Cashier & Asstt Inspectors class also. The above higher grade is proposed this may also be limited to Rs 40 — 5 — 90 for the present

(IV) According to the present proposals the extra cost thereon is Rs 70,989 / —

memo Whether it is not possible to reduce the extra cost by effecting economies may also be examined and reported on records accompany-

Subject Revision of Establishment of the Davangere City Municipality

With reference to your letter No L 17885/12 dated 19-6-1948, on the above subject, I have the honour to state as follows

1 The totals under the existing number of hands and the number proposed have been struck and a certificate has been made to the effect that the proposition has been duly verified with reference to the audit Registers and other records of the Municipality Allocation statement in respect of the lent officials working in the Municipality has been submitted through the Deputy Commissioner with this Office No 51/47-48 dated 25-5-1948 Sanction of Govt may kindly be accorded to the said allocation statement As regards the allocation statement in respect of other Municipal employees, separate proposals, will be submitted after sanction of Govt to the revision of Establishment and of the revised scale of pay now proposed

2 As per instructions issued under para (ii) of your letter under advertance, the post of the Senior Assistant Commissioner is omitted in the statement Similarly the posts of Assistant Engineer, Revenue Officer and Health Officer who are also Gazetted officers have been omitted

3 The Scales of pay of the posts of the Head Accountant in Lohatarfa section and Octroi Inspector are now reduced to 40-5-80 as suggested in para (iii) of your letter referred to above

4, All possible economies have been effected As per revised proposition statement the extra cost will be Rs 55,47-/ as against Rs 48,881/- previously proposed which excludes the salaries of the Gazetted officers now omitted in the proposition statement The small increase is due to the fact that the scale of pay of the Scavenging staff had to be further revised to the City scale which is inevitable

Temporary necessary appointments have been made in anticipation of sanction of Government as per resolution of the Council to start work in all the sections Additional Establisment will be entertained as and when necessity arises

Copies of the resolution of the Municipal Council regarding the revision of scale of pay of the Ayurvedic Pandit and of the Sweepers and Scavengers are herein enclosed for kind information of Govt

Under the circumstances, I request you kindly to obtain early sanction of Government to the revision of Establishment proposed by the Municipal Council

I have the honour to be,
